Senior Care Program*

Priority Ranking Tool for Gap-filling Services

Activities of Daily Living **Score**

0-10	5
11-19	4
20-24	3

Priority Setting Level of Case Management

Intensive	5
Moderate	4
Monitoring	3

Other Community Service Availability

None available	3
On Waiting list	2

Accessible Funds - funds remaining or obtained from income and/or resources

Can not purchase services (s)	2
Can purchase partial service(s)	1
Can purchase ALL service(s)	0

TOTAL SCORE _____

The highest score possible is 15. Clients with the highest score will receive services first when Senior Care funds are available. If client scores are the same, the client who is on the waiting list the longest will receive service first.

Exception: One time purchase items such as tub seats will be purchased.
